

Celebrate Life's Journey with our patients and their families by joining our hospice team. Cypress Hospice is a family owned company that is committed to honoring the lives of those we serve in Cuyahoga, Lake, Lorain, Medina and Summit counties by providing quality care that is delivered with compassion and support. We have office locations in Willoughby and Berea. Hospice Aides are sought to provide personal care services to the terminally ill hospice patient and provide assistance and understanding to the family. The qualified candidate will work as a member of the hospice team under the direction of the RN case manager providing care within the guidelines of the IDG plan of care.

Qualifications:

- Training/Licensure: Graduate from an approved training and competency course.
- Knowledge/Skills/Ability: Ability to work independently, make accurate and at times quick judgments.

About Cypress Hospice:
